

Bauerwood Beacon

News from Bauerwood Elementary

February is here already! We are well on our way into the second semester with new building wide goals for our students to accomplish during the second half of the year.

Students have had fun playing in the snow during recess. They are creative in their snow builds, sled pulling and even a little soccer in the snow. Please be sure that students come to school prepared with boots, gloves, hats and snowpants to be able to join in all of the fun without being cold. I would appreciate reminders to students that 32 degrees is not a heat wave to take coats off outside too! 😊
