M-Step Testing

Over the next four weeks, third, fourth, fifth and sixth grades will be participating in M-Step testing. It is important for students to get a good night's sleep the night before testing as well as have breakfast in the morning. We would also ask that you not schedule appointments during M-Step testing. Please check with your son or daughter's teacher if you know you have an appointment coming up, particularly in the morning.

Pastries With Parents

We are excited to have pastries with parents in person this school year on Thursday, May 4. We had a mistake in the first flier and sent a new one last week. We will have the playground open at 8:00 am. We will have two stations for donuts, juice boxes and coffee. If you are not able to attend, your child will still be able to get the snacks! We invite you to see our new playground, and walk the outdoor discovery trails. We will still start school with the bell at 8:40 am. Please be patient with traffic and parking on Thursday morning.

Playground Opening!

We are excited to announce that our playground will be open this week. It is exciting to see the new equipment and watch students explore new ways to play when outside at recess.
