News from Bauerwood Elementary

We officially have nine days left in the school year. We just finished our end of year benchmark assessments and your kids did amazing. The growth we have seen in them physically, emotionally and academically astonishes me every year. As the nine days fly by, we have mixed emotions. We are all excited for summer but it is hard to say goodbye to our classroom communities that we have created this year too. I am sure that many of your kids have the same mixed feelings!

Bauerwood Bash

Bauerwood Family Network has planned a “Super Hero” bash for the kids this year with inflatables, snow cones, and several games along the way. In order to put on this event, we need volunteers. Please consider volunteering to join us in this celebration. [Bash Sign-Up Genius](#). We will only be allowing parents who have volunteered to be at Bash. If it is a warm day, please have students in comfortable clothes and shoes for outdoor play. They may also get very wet! :)

Meet The Grade Level

As we did last year, students will have an opportunity on the last day of school to meet the next grade level of teachers. They will get specific teacher placements in early August. It is such an exciting day for students and a fun way to end the year.

Lost & Found

All items from the lost and found have been sorted and organized. We have a lot of winter gear (including coats) that need to find their owners!. All items are in the vestibule, please take a few minutes to come and claim anything that may be missing. I have included pictures at the bottom of the Beacon. All items left at the end of the year will be donated to Threads.

Transportation Update

We are now open for all busing requests for the 23/24 school year. With our new system and new routing we are asking anyone who needs busing next year to please sign up. (even if they have already been using busing for years) Below is the link to sign up for 23/24 bussing.
