## Bauerwood Bash - Out of This World

Due to the rain on Wednesday, we needed to reschedule our Bauerwood Bash. Bauerwood Family Network has planned an “Out of This World” bash for the kids this year with inflatables, snow cones, and several games along the way. In order to put on this event, we need volunteers. Please consider volunteering to join us in this celebration. [Bash Sign-Up Genius](#). It will be a warm day, please have students in comfortable clothes and shoes for outdoor play.

## Meet the Grade Level

As we did last year, students will have an opportunity on the last day of school to meet the next grade level of teachers. They will get specific teacher placements in early August. I will also be sending short video clips on the last day of school so that you, as parents, can meet the next grade level of teachers. It is such an exciting day for students and a fun way to end the year.

## Summer Events

We are all excited for summer, but all too soon we start to hear the dreaded words from our kiddos which could be, "I'm bored" or "I don't have anything to do." Our community has so much to offer from ultimate frisbee to a variety of camps, fishing, roller skating, story walks, and, library activities. We are committed to keeping you informed of all of the fun and unique opportunities that are happening around our community throughout the summer. You can check out the [JPS Website Experience More](#) page and learn about all of the opportunities.

## Cat's Cash Extraordinaire

Each week we reward student behavior with a Cat's Cash drawing in each class.

Mrs. VanDyke's class used the let's save them and use them all on the last week technique.

That is a large bin of Cat's Cash!
