

Bauerwood Beacon

News from Bauerwood Elementary

Although the weather has us thinking of Christmas, it is a time to be thankful. As we head into Thanksgiving break I am thankful to work in a building of students and teachers who love, respect and work hard everyday to shine bright in the world and community. We are thankful for you, as parents, who support us each day and bless us with your kids that push us to do better everyday.

Dates to Remember

Mark your calendars for a few fun events.

Monday, Nov. 21	Last day, Your Change Can Change Hunger
Wednesday, Nov. 23 - 25	Thanksgiving Break, no school for students
Wednesday, Nov. 30	5th Grade Orchestra Concert
Wednesday, Dec. 14	Bauerwood Family Network Meeting at Bauerwood 7:00 pm
Tuesday, Dec 20	Holiday Concert at JCA (3rd, 4th, 5th Grade and Bobcat Choir)
Friday, Dec. 23 - Jan. 6	Winter Break, No School

Thanksgiving Break

School will be closed Wednesday, November 23 through November 25 to celebrate Thanksgiving break.

Your Change Can Change Hunger

We have extended Your Change Can Change Hunger into Monday! At this point, 5th grade is in the lead with the most hands on the wall. All proceeds stay in our community to support families with food. Thank you for your donations.

Lost & Found

Lost items need to be found. We have several sweatshirts and even winter coats that have been found outside on the playground over the last several months. Everything is folded sitting on tables in the vestibule (see pictures below). We will have students come to look for missing items, but you may also stop by and claim items. All unclaimed items will be donated. Please label winter gear before kids come to school!

Holiday Support/ Mitten Tree

We are excited once again for the opportunity to support Bauerwood families with food and gifts for Thanksgiving and Christmas this year. We will be sending out our virtual mitten tree and food needs on Tuesday. Please sign-up to support our families. All items can be dropped off at school.. Thank you in advance for supporting our Bauerwood community.

Outdoor Discovery Zone

While the weather was still nice, we were able to spread 120 yards of wood chips on our outdoor paths. A huge thank you to Mr. Merritt, Nolan Merritt, Adam Flynn and Pete Priest for making this dream a reality. Best Bark and Stone donated all of the wood chips!

Want to Join the Swim Team?

Our Jenison age group swim team runs from late November through late February. It takes place at the Jenison HS Aquatics Center and practices are 1-3 times a week between 6 & 8 pm. The cost is three \$55 payments as well as a USA membership fee and three volunteer shifts. More info: [CLICK HERE](#)
