News from Bauerwood Elementary

Thanksgiving is a time to step back and reflect on all of the things that we have an opportunity to be a part of or serve. I am so thankful for each of you and your kids. The opportunity to spend time with them, grow with them and learn with them is something I will forever be grateful for. Thank you for sharing your kids with us

Dates to Remember

Mark your calendars for a few events:

November 24 - 26 Thanksgiving Break, No School

December 7- 3rd, 4th 5th Grade Holiday Music Program

December 20 - 31 Holiday Break, No School

Your Change Can Change Hunger

Thank you for supporting our Your Change Can Change Hunger change drive. Bauerwood alone was able to raise just over \$3,000. This is an important organization that helps to support our community with food and resources. The kids were able to earn building wide prizes and events such as chicken day, PJ day, glow in the dark dance party and teacher flip. Check out some pictures of our fun at the end of the bulletin!

Once again we will be holding a virtual angel tree and food drive to support Bauerwood families. Together we are one family and this is an incredible way to help support. We are in need of both food items and gifts for families. Stay tuned, for the sign-up genius to be able to support.

Volunteer Opportunities

We are excited to announce that we have many volunteer opportunities starting in our building. BFN is looking for volunteers to join a few committees: popcorn days & teacher appreciation week are just a couple. If you are interested in volunteering with BFN please contact them at bwfamilynetwork@gmail.com.

I will also be sending out a sign-up genius for Bauerwood volunteers in the library and for teacher projects. Please be watching for the sign-up genius.

COVID Testing

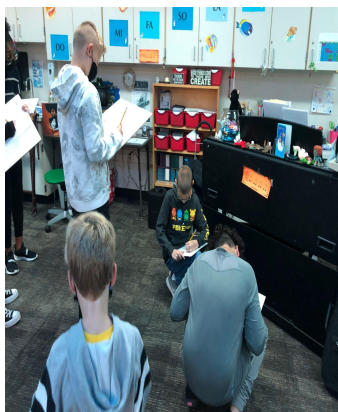

As a reminder, if anyone in your household is being tested for COVID students **MUST** stay home until test results are confirmed. Ottawa County has seen an increase in cases and we want to remain vigilant in keeping our staff and students healthy and learning in person. Please call the office with any questions about testing or guidelines.
