Minds In Movement

We are in the middle of our Minds In Movement Walk-a-Thon fundraiser. Students and families have done an amazing job supporting our school so far and we are halfway to our goal. Students have enjoyed some fun spirit days and will be participating in board games on Monday. Friday, we will be walking to complete the fundraiser. This is the ONLY fundraiser we do all year, so please take the time to donate to our school and support the amazing things happening for our students.
