

Professional Property Maintenance Services LLC Help Wanted – Spring and Summer 2022

Landscaping and Building Maintenance Services

Description

Looking for a summer job? Professional Property Maintenance Services, LLC needs workers!

- Workers have the option to work on a variety of projects: **irrigation repair, landscape renovations, painting buildings, staining and powerwashing, trimming shrubs, carpentry repairs.**
- We strive to work 40 hours per week – a great way to learn valuable skills, pay college tuition, and build your resume.
- No prior experience necessary – previous experience is a plus.
- **\$16.00 per hour – adjusted based on experience**
- We request applicants have a basic understanding of time management, have the desire to work and learn, and pay attention to details.
- Reliable transportation is required; some carpool options may be available.
- Work is completed at condominium associations in the Grand Rapids area.

Interested in being a part of the team? Full time employment opportunities are available as well, where you will learn a variety of skills associated with landscape maintenance. We are always looking for talented team leaders who can teach new hires and help the business grow.

We are hiring for Spring Break 2022 and Spring/Summer 2022.

Qualifications

Qualifications include: self motivated, working well in group situations, working on ladders up to 2 stories tall, ability to work with latex and/or oil based paints, attention to detail, great communication skills. Prior experience a plus. We hire students, college graduates, teachers, and anyone looking to get outside during the summer.

Benefits

Benefits include: annual baseline pay raise, performance based pay increase, full-time employment opportunities (e.g., health insurance, end of year bonus).

We offer finders bonuses of \$50.00/person if someone you recommend ends up being a great addition to the team! If you have friends or family who want a job, let them know too!
