

BACK-TO-SCHOOL 2022-2023

WELCOME!

We're so excited to welcome you to the 2022-2023 school year! We can't wait for students to be back in class discovering and engaging in all of the amazing learning opportunities our teams have been hard at work preparing.

The start of a new school year can be very busy with a lot of information, so we want you to have a quick resource with some of the key details you'll need. The best way to check all of this year's back-to-school info is on the myJPS app, or by using the buttons below for more info on each topic.

I hope you're as excited as I am to start this new school year!

Let's Go!
