## WHAT IS OPEN ENROLLMENT?

Annual Open Enrollment is the one time each year when you are allowed to make changes to your health care plan, outside of a "life event" such as a birth, death, marriage, divorce, job loss, etc. We want you to be equipped to make the best individual decisions for your healthcare in 2024, so please take the time to review the included information intended to help you:

1. Understand the overall cost and funding of your plan
2. Explain who is responsible for certain healthcare costs
3. Clearly identify the individual decisions you're required to make

## WHAT DO YOU NEED TO DO?

1. Carefully review this memo, as well as the accompanying information [found online by clicking here.](#)
2. Determine which 2024 health care plan elections are right for you and your family.
3. Complete the **Insurance Election Form** online to make your 2024 health care plan elections.
  - a. NOTE: When completing the form, if you select the **cash-in-lieu plan (PAK B)** you will need to:
    - i. Decline health coverage on the election form.
    - ii. Attest that you, your spouse, and eligible dependents have alternative minimum essential healthcare coverage other than coverage obtained in the marketplace.
4. If you're **not making changes** to your health plan or voluntary options (short term disability, life insurance, etc), you have successfully completed your 2024 open enrollment once you have submitted the completed election form in step 3. **If you would like to make changes to your health plan or voluntary options, please proceed to steps 5 and 6.**
5. Make any desired changes to your health plan or voluntary options:
  - a. Review the MESSA Online Enrollment at a Glance.
  - b. Visit [MyMessa](#) to complete any changes. *If you do make changes, please remember to choose the option to receive email confirmation of elections.*
  - c. If you have optional life insurance, we recommend reviewing your beneficiary information.
6. If you have any questions please reach out to Leslie Philipps or Melissa Shuker.

### HEALTH SAVINGS ACCOUNTS (HSA)

HSA's are a type of savings account that let you set aside pre-tax money to pay for qualified medical expenses, such as orthodontic work, medical/dental co-pays, saving for retirement health costs, etc. You may choose to contribute additional money to your HSA (if eligible) to take advantage of the tax benefit—because HSA contributions are pre-tax, your taxable income is reduced by the amount that you contribute.

- JPS HSA's are managed through Health Equity. You can use your Health Equity card to pay for qualified medical expenses, or use their online portal or mobile app.
- *Note that the IRS imposes an annual cap on the amount you can contribute to an HSA.*
- You can change your HSA contributions and corresponding payroll deduction at any time. Simply fill out the **HSA form** on the website and Teresa Monroe will process the change.
