## 7<sup>th</sup> Grade Immunization Requirements

Students who are currently in 6<sup>th</sup> grade may need several immunizations prior to starting 7<sup>th</sup> grade. Typically the immunizations needed are a Tdap booster and/or a Meningococcal vaccine. It is very important that parents of current 6<sup>th</sup> graders contact their physician's office to get these immunizations taken care of as soon as possible. Students with incomplete immunizations will not be allowed to start school in the fall. If you have waived any immunizations in the past, a new waiver form will be required for 7<sup>th</sup> grade. Waivers must be obtained from the Ottawa County Health Department. Call 616-669-0040 to schedule a waiver appointment.

### Moving?

If your family will be moving, or your child(ren) will not be attending Rosewood next year for any reason, please call the office at 669-0011 to let us know. We are currently working on our class lists for next year, and this information is very helpful as we compile these lists. Thank you!

### No After School Care on June 2

There will be **no after school care** on Thursday, June 3. That is our last day of school and it is a half day. We dismiss at 11:50 and there will be no after school care on that day.

### Parenting A Child With Anxiety Webinar

On Wednesday, May 4th from 6:30-7:30 Dr. Phil Pittman with New Oakland Family Centers will be presenting to our JPS families on Parenting a Child With Anxiety. This informational webinar is for parents and caregivers and will focus on gaining a deeper understanding of anxiety and how to help manage the causes and symptoms. For more information and to register your family, please click on the link - [\*Parenting a Child With Anxiety Webinar\*](#).

We look forward to learning together. Please let Mary Veldink (mveldink@jpsonline.org) or Beth Morey (bmorey@jpsonline.org) know if you have any questions!

Greetings JPS Families!

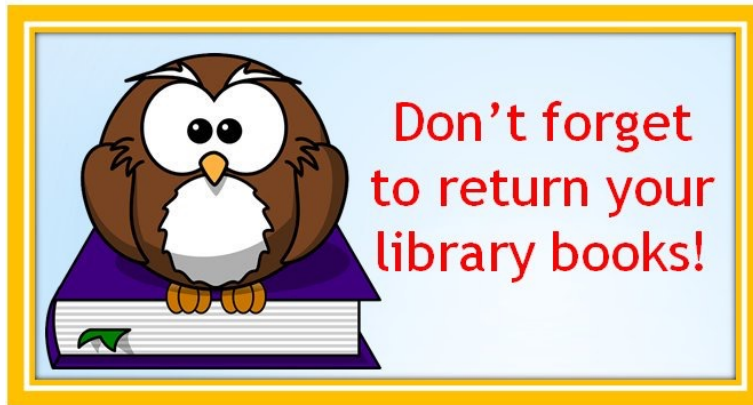

A friendly reminder that FREE MEALS ARE ENDING as of the last day of school in June. MANY families have not filled out the Free & Reduced Meal Application in a few years. If you think you would qualify, please APPLY TODAY in order to secure your child's meal benefits for the summer and the first 30 days of next school year. There are several programs that may offer discounts based on what you qualify for, such as: Pay to Play Sports Fees, Summer School, Testing Fees, and potentially your home internet service. Applications are based on your household's family size, before-tax income, and how often you are paid (weekly, bi-weekly, etc). [Here are the income guidelines](#).

# Art Student In the Spotlight

Annika from Mr. Bright's class learned about symmetry, and positive and negative space for this amazing project.

It's that time of the year already!  
All library books must be returned to  
school by **Friday, May 20th.**

If your child has received an overdue  
notice and the book cannot be found,  
please pay the fine so we can purchase  
a replacement copy.

Please contact the media center with  
any questions or concerns.

Thank you for your help!

Parents of entering 7<sup>th</sup> grade and new school district students

## IMMUNIZATION & WAIVER Information

Important  
Announcement

Since 1978, Michigan law (PH Code: 333.9208) requires each student possess a certificate of immunization or valid immunization waiver at the time of registration or no later than the first day of school upon entry into kindergarten, 7th grade, or into a new school district involving grades 1-12.

A student who fails to meet the immunization requirement or have a valid waiver, shall not be admitted to school.

Students entering 7<sup>th</sup> grade and students entering 8<sup>th</sup>-12<sup>th</sup> grades in a new school district, need to have the following immunizations by the start of school:

- 4 doses of DT/DTP/DTaP/Td OR 3 doses, if the first dose was given after the first birthday
- 1 dose of Tdap
- 4 doses of polio OR 3 doses, if dose #3 was given after the 4<sup>th</sup> birthday
- 2 doses of MMR (measles/mumps/rubella) vaccine at or after 1 year of age
- 3 doses of Hepatitis B vaccine
- 1 dose of MCV4 (quadravalent conjugate meningitis vaccine)
- 2 doses of varicella (chickenpox) vaccine at or after 1 year of age OR evidence of immunity (blood test) OR reliable history of having had chickenpox

The Advisory Council on Immunizations (ACIP) also recommends the following immunizations for pre-teens and teens:

- Hepatitis A
- HPV
- Flu (*seasonal*)

***If a parent is waiving one or more vaccines, which are required for their child to enter school, the parent will need to make an appointment at their local health department to obtain a **NEW** waiver prior to the start of school.***

**A student, who fails to meet the immunization requirement or have a valid waiver, will not be admitted to school.**
