Jenison Public Schools Kindergarten Screening January 29 – February 1, 2024

Jenison Public Schools will be holding Kindergarten Screening the week of Monday, January 29 through Thursday, February 1. Jenison Public Schools offers both Transitional Kindergarten and Kindergarten programs for children who will be five years old on or before December 1, 2024.

All students entering either Kindergarten program must be screened before placement. You can schedule a screening appointment online by clicking the link on our [website](#).

Students currently enrolled in a JPS Preschool class or Transitional Kindergarten do not need to schedule a screening appointment or complete a new online registration form. You will have an opportunity to update your child's information online later this summer.

If you have any questions or problems, please contact Lorri or Trisha at 616-667-3232 or via email at Registrare@JPSONline.org.

Spanish Immersion Parent Information Meeting

Thursday, January 18, 2024 at 7:00 pm
El Puente – Kids First Building
2950 Baldwin St, Hudsonville

This meeting is for parents who are considering enrolling their incoming Kindergarten student into the Spanish Immersion Program.

Dress For The Cold Weather

Please remember to have your children prepare for the winter weather. Winter is here and our students need to dress for outdoor weather. Your student is outdoors for up to 30 minutes during the lunchtime recess. Outdoor clothing such as coats, mittens or gloves, boots, hats, and snow pants are a necessity for our outdoor recess times. It is also a good idea to pack extra clothing during winter. Dry socks and mittens can come in handy. And don't forget to label all of the clothing that you are sending to school. Please keep in mind that we go outside unless the wind chill is -10 degrees or colder. Thank you for your help!

Snow Day Procedure For Hot Lunch

The weather outside is frightful....but what's for lunch tomorrow? If school is cancelled on a Monday through Thursday, the menu that was supposed to be served on the snow day will be moved to the next school day. The original menu from the return day will not be served. If school is cancelled on a Friday, Friday's menu will be cancelled and we will serve the published menu on Monday. Contact the food service department at 457-2400 if you have any questions. --Mary Darnton, Food Service Director

Go Red In February

We are encouraging students to wear red on the following days for Heart Disease Awareness Month & to support our students with various heart conditions.

Thursday, February 8
Friday, February 16
Friday, February 23

Girls In STEM

Science • Technology • Engineering • Mathematics

Are you a girl interested in any of the subjects above? Do you enjoy problem solving and learning? The high school Girls in STEM club is hosting an assembly that will include a demonstration, math puzzles, a take home project, and more fun activities for girls 4th through 6th grade.

The meeting, run by high school girls (assisted by at least one staff member) will help explore the world of STEM with our young and intelligent students. This is a great opportunity to help girls continue interest in STEM fields throughout school, and the rest of life. This semester meetings will be held at Jenison High School in the Media Center. Girls in 4th -6th grade can attend one meeting on any of the dates listed below.

Where:

Jenison High School: Saturday January 20, 2024	Media center
Jenison High School: Saturday February 17, 2024	Media center

Time: 10:00 am-12 noon

Students must be registered to attend the meeting. After registering, you will receive a confirmation email. To reserve a spot fill out the form at <https://forms.gle/fhukrkL1KUsR3Nq99>. Close to the meeting date, I will send additional information on the meeting location.

If you have any questions please contact *Alice Putti*: aputti@jpsonline.org
(Chemistry teacher, Jenison High School)

LOVE YOUR NEIGHBOR LIFE SKILLS CLASS

Weekly on Mondays
at Pinewood Elementary
6:30 - 8:30 pm

Sign up ASAP
Class starts Jan 22

WHAT IS LIFE SKILLS?

The Life Skills Program is a community where individuals learn and connect with a supportive community through financial education and peer support.

Participants in the Life Skills Program earn ongoing resources such as weekly groceries (including meat and dairy) and gas. Additionally, your participation could earn you oil changes, furniture and home goods, a housing subsidy, professional counseling, haircuts, and more.

WHAT WILL I LEARN ?

Financial Literacy/Budgeting

Parenting Strategies

Healthy Relationships

Healthy Eating on a Budget

Stress Management

And more
