Upcoming Events 2023-2024 School Year

August 23

First Day of School

Rosewood Families,

It is hard to believe that our 2022-2023 school year has come to an end. I am proud of our students, teachers, and parents as we have worked together to best support each other throughout the year. Our mission at Rosewood is to provide a positive, caring environment, where everyone feels safe, valued, and respected. We strive to make our school a place of belonging and where everyone feels welcomed. I am proud of our staff and their commitment to make sure we live out our mission every day.

As summer is on the horizon, I want to encourage you to continue to help your child grow as a student even though we will no longer be in school. Take time to read with your child this summer, visit the local public libraries, or choose other summer learning opportunities to get your kids involved in. Continuing to read with your child is one of the best things you can do to help them continue to be successful and prepared for their next school year. I want to also encourage our children to enjoy their summer! Get outside, play with friends, ride bikes, go swimming, build forts, play sports, and enjoy being a kid this summer while limiting their technology time.

I want to thank you, parents and guardians, for partnering with us in your child's education. We do not take the care of your children lightly, and we will miss each and every one of them over the summer. It takes a village to raise children, and we appreciate your support and partnership in what we do here at Rosewood.

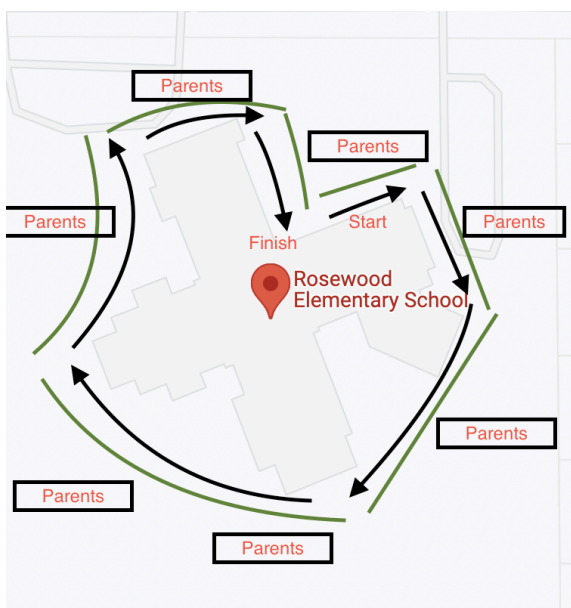

Have an amazing summer!

Luke Verbeek

Due to summer construction beginning Monday, June 5, office hours will be very limited. Please email Luke Verbeek to schedule an appointment.

Thank you for your understanding!

Medications

We CANNOT send home medications with your child. All medications must be picked up by noon on Friday, June 2nd. **All medications not picked up will be disposed of. Thank You!**

Job Opportunity

Rosewood is in need of Recess Supervisors for the fall. It would be 5 days a week for 2 hours each day, from 11:20-1:20. If you are interested or would like more information, please email Mr. Verbeek at lverbeek@jpsonline.org or call the school office at 669-0011. Please come and join our team!

Moving?

If your family will be moving, or your child(ren) will not be attending Rosewood next year for any reason, please call the office at 669-0011 to let us know. We are currently working on our class lists for next year, and this information is very helpful as we compile these lists. Thank you!

Summer Programs & Camps

Please check out the following link for programs & camps offered at Jenison Public Schools this summer! <https://www.jpsonline.org/CommunityEd.aspx>

Robotics

Vex IQ summer camp signups are live. We are offering Beginner camp and Advanced camp June 19 - June 22, 1-4 PM. This is for 4th thru 6th graders for the 2023-2024 school year. Please see more info here. <https://jenisonrobotics.org/programs/robotics-grades-4-6/iq-camp-info>

Taco Stickers

Mrs. Vachon is sending home Taco stickers with each of our students today. Thank you, Parent Club, for purchasing these for us! Feel free to give Taco a follow on Instagram at [tacothegoldentherapydog](https://www.instagram.com/tacothegoldentherapydog).

Congratulations and Goodbye to our 6th Graders

Noel London	

We would like to wish our 6th graders GOOD LUCK next year at the Junior High!

7th Grade Immunization Requirements

Students who are currently in 6th grade may need several immunizations prior to starting 7th grade. Typically the immunizations needed are a Tdap booster and/or a Meningococcal vaccine. It is very important that parents of current 6th graders contact their physician's office to get these immunizations taken care of as soon as possible. Students with incomplete immunizations will not be allowed to start school in the fall. If you have waived any immunizations in the past, a new waiver form will be required for 7th grade. Waivers must be obtained from the Ottawa County Health Department. Call 616-669-0040 to schedule a waiver appointment.

No After School Care on June 2

Just to give all after school care students and parents a heads up.... There will be no after school care on Friday, June 2. That is our last day of school and it is a half day. We dismiss at 11:50 and there will be no after school care on that day.

Address Changes

It is important that we have correct address and phone numbers for our students to ensure that they receive their report card and all information regarding the next school year.

If you move over the summer, please complete the Address Change Request form which is available on our website: www.JPSonline.org — under the Enrollment link. This form should be returned to the Administration Office along with the supporting documentation noted below.

- Drop off or mail to: 8375 20th Ave, Jenison, MI 49428
- Fax to: 616-457-8898
- Email to: Lgierman@JPSonline.org

Please note that along with the form we must also have verification of your address. This verification can be a copy of a current utility bill (gas, electric, water, etc.), an assessment/property tax statement, rental/lease agreement (must include landlord's telephone number), or buy/sell agreement.

If you move out of the Jenison Public Schools district boundary, you must also submit a Non-Resident Enrollment Application to continue attending JPS through Schools of Choice. This form is also available under the Enrollment link on the website. If you have any questions, contact Lorri Gierman, Registrar, at 457-8839 or via email at Lgierman@JPSonline.org.

TEACHER

meet the

Hi there! My name is...

Ms. Mooney

MY FAVORITE THINGS

COLOR | Mint
FOOD | Mexican
SEASON | Fall
DRINK | Diet Coke
HOBBY | Basketball
MOVIE | Inside out
HOLIDAY | Christmas

I am so excited to be apart of the Rosewood family! I just graduated from Cornerstone University with a degree in Special Education and Elementary Education. Next year I will be a K-2nd grade interventionalist.

This next school year will be full of so many new learning experiences. I am so excited to get to know you and your families.

Have a great summer!

WELCOME

Hello Rosewood families!

My name is Robin Skrbina, and I am excited to serve Rosewood as a speech-language pathologist next school year.

Here is a little bit about me: I am originally from the east side of Michigan. I completed Bachelor's degrees in English and Psychology while earning my teaching certificate at the University of Michigan. Go Blue! I taught middle school Language Arts in Dearborn, Michigan for three years and also completed my Master's degree in Education in English as a Second Language during this time. I eventually moved out to Grand Rapids in order to pursue a graduate program in speech-language pathology. I have had clinical experiences working as an SLP with preschool through high school populations in the public school setting and in the clinic setting. I love helping students find success and confidence in school by supporting their speech and language development. Outside of school you can find me reading, trying out new recipes, or visiting family.

I am looking forward to meeting you all next year! Have a wonderful summer.

Warmly,
Robin Skrbina

PARENTS VACCINES REQUIRED FOR SCHOOL ENTRY IN MICHIGAN

Whenever children are brought into group settings, there is a chance for diseases to spread. Children must follow state vaccine laws in order to attend school. These laws are the minimum standard to help prevent disease outbreaks in school settings. The best way to protect your child from other serious diseases is to follow the recommended vaccination schedule at www.cdc.gov/vaccines. Talk to your health care provider to make sure your child is fully protected.

	All Kindergarteners and 4-6 year old transfer students	All 7th Graders and 7-18 year old transfer students
Diphtheria, Tetanus, Pertussis (DTP, DTaP, Tdap)	4 doses DTP or DTaP 1 dose must be at or after 4 years of age	4 doses D and T or 3 doses Td if 1st dose given at or after 1 year of age 1 dose Tdap at 11 years of age or older upon entry into 7th grade or higher
Polio	4 doses 3 doses if dose 3 was given at or after 4 years of age	
Measles, Mumps, Rubella (MMR)*	2 doses at or after 12 months of age	
Hepatitis B*	3 doses	
Meningococcal Conjugate (MenACWY)	None	1 dose at 11 years of age or older upon entry into 7th grade or higher
Varicella (Chickenpox)*	2 doses at or after 12 months of age or Current lab immunity or History of varicella disease	

During disease outbreaks, incompletely vaccinated students may be excluded from school. Parents and guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department. Read more about waivers at www.michigan.gov/immunize.

*If the child has not received these vaccines, documented immunity is required.

All doses of vaccines must be valid (correct spacing and ages) for school entry purposes.

Updated March 1, 2017

Parents of entering 7th grade and new school district students

IMMUNIZATION & WAIVER Information

Important
Announcement

Since 1978, Michigan law (PH Code: 333.9208) requires each student possess a certificate of immunization or valid immunization waiver at the time of registration or no later than the first day of school upon entry into kindergarten, 7th grade, or into a new school district involving grades 1-12.

A student who fails to meet the immunization requirement or have a valid waiver, shall not be admitted to school.

Students entering 7th grade and students entering 8th-12th grades in a new school district, need to have the following immunizations by the start of school:

- 4 doses of DT/DTP/DTaP/Td OR 3 doses, if the first dose was given after the first birthday
- 1 dose of Tdap
- 4 doses of polio OR 3 doses, if dose #3 was given after the 4th birthday
- 2 doses of MMR (measles/mumps/rubella) vaccine at or after 1 year of age
- 3 doses of Hepatitis B vaccine
- 1 dose of MCV4 (quadravalent conjugate meningitis vaccine)
- 2 doses of varicella (chickenpox) vaccine at or after 1 year of age OR evidence of immunity (blood test) OR reliable history of having had chickenpox

The Advisory Council on Immunizations (ACIP) also recommends the following immunizations for pre-teens and teens:

- Hepatitis A
- HPV
- Flu (*seasonal*)

If a parent is waiving one or more vaccines, which are required for their child to enter school, the parent will need to make an appointment at their local health department to obtain a **NEW** waiver prior to the start of school.

A student, who fails to meet the immunization requirement or have a valid waiver, will not be admitted to school.

For questions and additional information, please call 616-396-5266.
