Halloween

With Halloween just around the corner, we will plan to celebrate as a school on Thursday, October 31! Our goal is to have fun while being safe & respectful of our peers. Please take time to respectfully consider how your costume may impact others. Use the following guidelines for costume planning:

- *Absolutely no weapons, real or plastic
- *No clown costumes
- *No costumes that depict bloody, violent, or gory situations
- *No costumes depicting language or graphics outside of the school dress code

Costumes are subject to administrator discretion. Students dressed inappropriately will be asked to change. If a student is wearing a mask, please make sure they can see well. **Please have your child bring their costume to school rather than wear it.**

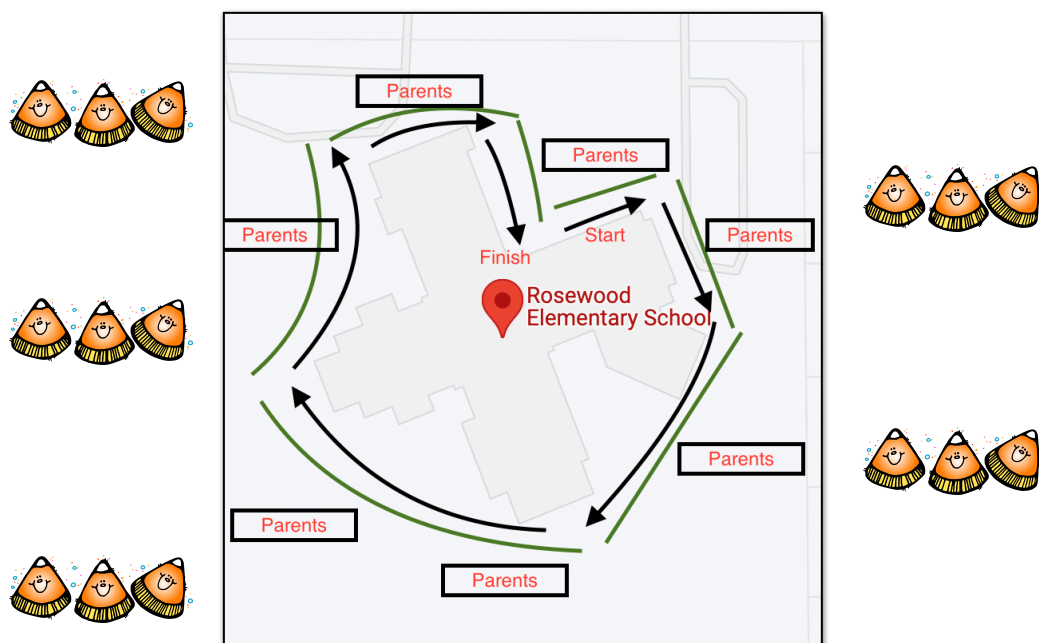

Halloween Parties & Parade

Each grade level will be in charge of their own party. They will reach out to you with any supplies needed or volunteer opportunities. Parties are only open to parents who are volunteering.

We will be outside & will begin our parade at 3:15pm, weather permitting. We ask that all parents line up around the school building. (Please see map below.) Students will be dismissed to go home when the parade is completed at 3:35pm. For our parents who like to dress up, please **do not wear any masks that cover your face**. For safety reasons, we need to see the faces of all of our visitors. If you are attending, please be considerate of our neighbors & mindful of where you park your vehicle. **Do NOT block driveways!**

Any questions, please contact the school office at 616.669.0011.

Thank you for your cooperation!

Calling In An Absence

When your child will be absent from school, please call the attendance line (616.667.3550) prior to 9:00am. In your voicemail message, please include the following items:

- Student's name - with the spelling of their last name
- Student's grade & teacher
- Reason for your student's absence. If your child is absent due to illness, please include their symptoms.
- Your relation to the student.
- If your student is coming in late, please indicate their lunch choice. (white, blue, or cold)

Lost And Found

We ask that you please label everything that is sent to school with your child (lunch boxes, backpacks, coats, sweatshirts, boots, mittens, etc.). If you are missing an item, please stop by before or after school to check out the growing number of items hanging from the clothing rack outside of the office. Parent/Teacher Conferences will be a good time to check out the items in lost & found. Any item not claimed by Thursday, October 31 will be donated.

Job Opportunity

Jenison Public Schools is in need of substitute teachers. You are able to pick the days that you wish to work, and it's only on school days, during school hours! We hire all of our substitutes through EduStaff. If you would like to apply, visit edustaff.org or call 877-974-6338. Please apply and be part of our team!

After School Arrangements

In the morning before your children come to school, please let them know where they will be going after school, who will be picking them up, or if they need to ride the bus. It is very disruptive to classroom learning when the office has to call down to the classrooms to let children know their after school plans. Children can also become very anxious when they don't know their plans and have to try and call parents for this information. Thank you for your cooperation!

After School Dismissal

Please remember to be safe and considerate to our neighbors by not blocking their driveways. If you park on Roselane, ONLY PARK FACING NORTH to allow traffic to freely flow with busses and cars. Thank you for helping keep everyone safe here at Rosewood & in our community!

WE DID IT!

Total Raised = \$32,923.20 and counting!

We're extremely thankful for all our parents, friends, family, and students who supported our school with donations.

Our Rosewood Run was a BLAST! Our hope is for students to have a lifelong connection that getting up and active for a cause is FUN!

All funds raised will enrich and impact your student's experience at Rosewood Elementary this school year.

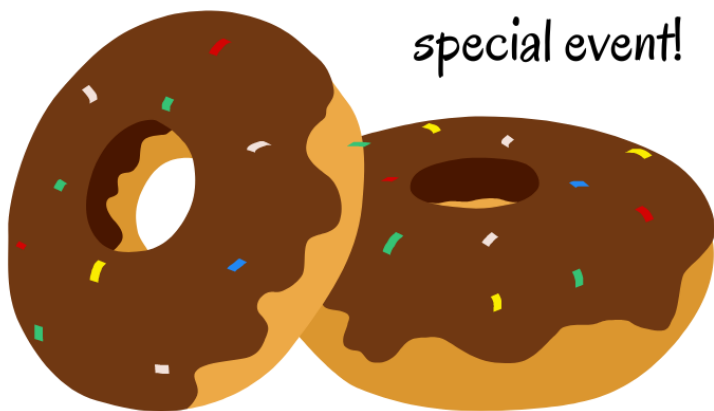

THANKS AGAIN FOR ALL OF YOUR SUPPORT!

The high school Girls in STEM club is hosting an assembly that will include a demonstration, math puzzles, a take home project, and more fun activities for girls 1st through 3rd grade.

The meeting, run by high school girls (assisted by at least one staff member) will help explore the world of STEM with our young and intelligent students. This is a great opportunity to help girls continue interest in STEM fields throughout school, and the rest of life.
