

Notice of Herbicide Application

In an effort to maintain the aesthetic quality of the buildings and grounds of Jenison Public Schools, it has become necessary to apply a fertilizer and herbicide to the grounds of buildings within the district. You will be able to tell that the application has been applied by the dated lawn signs that will be posted.

Schools: Junior High & High School

Date of application: 8/24/22 through 8/26/22, weather dependent

Product Name: SureGuard Herbicide and Gly Star Pro Herbicide

Area to be treated: Fence Lines, Parking Lots, Building Foundations,
Landscaping Plots & Athletic Fields

Description of treatment: SureGuard is a mixture of Flumioxazin,
Kaolin clay and Ammonium Sulfate.

Gly Star Pro is a mixture of 41% Isopropylamine salt of Glyphosate and
59% Other Ingredients.

Applications will be applied by a State Certified Applicator to the
grounds of the school.

If you have any questions or concerns please feel free to contact Jon Visser, Maintenance Supervisor at 667-3264. If you would like more information on pesticides you may call the National Pesticide Information Center at (800) 585-7378 or the Department of Agriculture at (517) 373-1087
