## HEALTH SAVINGS ACCOUNTS (HSA)

HSA's are a type of savings account that let you set aside pre-tax money to pay for qualified medical expenses, such as orthodontic work, medical/dental co-pays, saving for retirement health costs, etc. You may choose to contribute additional money to your HSA (if eligible) to take advantage of the tax benefit—because HSA contributions are pre-tax, your taxable income is reduced by the amount that you contribute.

- JPS HSA's are managed through Health Equity. You can use your Health Equity card to pay for qualified medical expenses, or use their online portal or mobile app.
- *Note that the IRS imposes an annual cap on the amount you can contribute to an HSA.*
- You can change your HSA contributions and corresponding payroll deduction at any time. Simply fill out the **HSA form** on the website and Teresa Monroe will process the change.
- Annual contribution limits can be found on the HSA form.
