Benefits

- Unique educational experience with global exposure
- Mobility in earning college credits in both Michigan and Scotland
- Earn college credits while simultaneously completing high school
- Option to study abroad
- Reduced financial burden of college tuition

Requirements

- Complete application process
- Academic career pathway and interest in business courses at JHS
- GPA 2.0 or above
- Motivated to successfully complete college level courses while carrying out high school requirements
- Commit to a 2-3 year course of study in grades 9-12
- Students may enter in the fall of their 9th or 10th grade year, as long as they haven't taken a business course previously
