September 5, 2019

Dear Parent or Guardian:

In an effort to maintain the aesthetic quality of the buildings and grounds of Jenison Public Schools, it has become necessary to apply an herbicide to the grounds at your child’s school. Please understand that applications will not be occurring every day. The dates are given due to the fact that factors such as wind, rain and site usage will affect the exact date and time of the application. You will be able to tell that the application has been applied by the lawn signs that will be posted.

The products that is being used is T-zone to control broadleaf weeds. The applications will be performed by State Certified Applicators.

School:  Admin, Bauerwood, Bursley, ECC, Operations, Jr. High, Pinewood, Rosewood, Sandy Hill, High School
Date of application:  September 7 through 14, weather permitting
Area to be treated:  Building fronts
Description of treatment:  Liquid application of T-Zone

If you have any questions or concerns please feel free to contact Jon Visser at the District's Operation's Office at 667-3264. If you would like more information on pesticides you may call the National Pesticide Information Center at (800) 858-7378 or the Michigan Department of Agriculture and Rural Development (800) 292-3939. Information may also be found on the web at www.npic.orst.edu

Sincerely,

Jon Visser
