**Third Grade - Mrs. Weerstra**

Dear Third Grade Parents,

Another year has come to a close and you officially have a third grader in your home! We look forward to getting to know your child in the 2018-19 school year. There are many school supplies on sale over the summer, so I am passing along a supply list that may help you select what your student will need.

Please remember that we will be working at tables rather than desks. This means your child’s supplies will need attention to organization. As you select the items from the list below, please help your child to create a structure or system that works for them (be sure that the majority of the utensils fit in the pencil box and that their name is visible on most items).

- Pencils
- Pencil cap or large eraser
- 2 glue sticks
- 1 small/medium pack of colored pencils
- 1 highlighter
- 2 dry eraser/whiteboard markers (Expo brand)
- Set of watercolor paints (primary color set is best) – label with name
- Hand sharpener – label with name
- 1 pair of scissors – label with name
- 2 folders with pockets – label with name
- 1 durable plastic homework folder
- 3 spiral bound notebooks (single subject) – label with name
- Pencil box – label with name and help your child to organize their items in this box.
- 1 pair of earbuds in a bag or case – label with name

Optional:
- Box of tissues
- 1 small/medium pack of markers

Please have your child’s supplies ready to go for the first day of school. Our open house looks to be planned for after the first week of school. I am looking forward to meeting you then! Hope you enjoy making wonderful memories with your child over this summer!

Welcome Back! (almost!)

I hope this letter finds you and your family enjoying some nice summer weather and fun activities! I am so excited for the upcoming school year. Mr. Betts, Mr. D and I are looking forward to the group of students that will be joining us in "The Alley."

During the first week of school we will be playing games and doing activities to get to know each other better. One way to do this is for me to give you your first HOMEWORK assignments...Ahhhhh! Don’t worry, it’s not that bad! First, find a shoebox or other small box. Then, decorate it with words or pictures that describe your personal qualities, things you enjoy doing, and people you love. Inside the box, place three items that are special to you. Sometime during the first week of school we will be sharing these with the class!

I have added a supply list if you want to get a head start on what you will need for Fifth grade. Again, I am so excited to get to know each and every one of you and to make your fifth-grade experience the best ever! Have a safe and enjoyable remainder of your summer, and I will see you August 20th!

Sincerely,

Mrs. Vachon, Mr. Diekman, and Mr. Betts
